WORK EXPERIENCE

Full-stack Typescript Developer
Going / Empik Bilety

04/2021 - 09/2025   *Warsaw, Poland*
A leading event ticketing & marketing company
Achievements/Tasks

- Maintained front-end of Going/Empik Bilety React Typescript web app and Going React Native Expo mobile app.
- Leveraged Firestore and Cloudsearch to create a system of follows and likes used to display personalized content.
- Implemented push notifications feature with the use of Firebase and Braze.
- Used Strapi to create a page builder used by Content Managers to edit website and mobile app content.
- Created reusable Next.js template used to swiftly create fully-featured ticket ecommerce websites for company partners.

Contact : Jacek Borzykowski (Entertainment & Digital Content Technology Director)   - jacek.Borzykowski@empik.com

Project Manager/UI Designer/QA Engineer
Going/Empik Bilety

09/2020 - 04/2021
Achievements/Tasks

- Defined project scopes, timelines, and milestones; coordinated cross-functional teams (dev, design, QA) to ensure on-time delivery.
- Crafted user-centered wireframes, high-fidelity mockups, and interactive prototypes; collaborate with developers to ensure visual consistency and accessibility.
- Helped introduce, establish and maintain a cohesive design system based on Material Design.
- Developed and executed comprehensive manual test plans; identified, documented, and tracked defects; ensured product met functional requirements and quality standards.

Client Service Specialist / CMS Administrator
Going/Empik Bilety

08/2019 - 09/2020
Achievements/Tasks

- Managed end-to-end event setup in the CMS, processing 150+ partner requests monthly and integrating interactive Seats.io seating maps to streamline ticket sales.
- Voluntarily led the design and rollout of a standardized event request form, replacing unstructured email submissions and centralizing partner requirements.
- Enhanced the form's UX with custom JavaScript and CSS tweaks, boosting partner completion rates and reducing follow-up queries.

WORK EXPERIENCE

UX Researcher/Content Creator
radicalzz.studio

07/2018 - 08/2019   *Warsaw, Poland*

A boutique consultancy focusing on UX/UI, prototyping, sustainable tech, and cultural trends

Achievements/Tasks

- Co-planned and conducted multi-country qualitative research for a global furniture brand's circular-economy leasing feature, synthesizing insights to directly inform product design across four markets.
- Created a CGI "News Anchor" with CrazyTalk to deliver daily ecology, sustainability, and tech updates as four-part Instagram Stories—driving significant boosts in brand recognition and follower growth over a year.
- Co-developed content for FUTURO Cards, a design-thinking card deck used in enterprise workshops to facilitate strategic conversations on sustainable and ecological solutions.
